

DESCRIPTION: MONITOR/TV WALL BRACKET

PART NUMBER: H 8185

Overview:

Excellent for restaurants, bars, hotels etc. where a compact LCD mount is required for touchscreens, registers etc. Also ideal for domestic installs. The clever two piece construction makes installation incredibly easy. Balljoint design permits 30° adjustment in all directions. Mounting hole centres at 60, 75 and 100mm square (suits VESA standard MIS-D 60, 75 & 100).

- VESA Compliant
- Durable black powdercoating
- Two piece design simplifies installation
- Spring tension adjustable ball joint
