

DESCRIPTION: MONITOR/TV WALL BRACKET

PART NUMBER: H 8187

Overview:

Clever design allows 100° of horizontal and vertical adjustment. Ideal for mounting smaller LCD screens such as touch screens and POS counters etc. The clever two piece construction makes installation incredibly easy. Mounting hole centres at 60, 75 and 100mm square (suits VESA standard MIS-D 60, 75 & 100). Mounting face is approximately 150mm from wall.

- VESA Compliant
- Durable black powdercoating
- Two piece design simplifies installation
