Material	Lens-Polycarbonate, Body-ABS	E80L-R	
Base color	Black	E80L-G	
Buzzer	80 ± 3dB at 1 metre		
Lens colours	Amber, blue, red & green		
Dimensions	147 x 114 mm		

Flashing Action

Flashing action can be disabled on the E80L series of flasher lights. In order to switch "off" the flashing action follow the steps below:

1. Remove the lens by turning it anti-clockwise.
2. Once removed locate the 1-way selector switch.
3. Setting this switch on "L" position is for steady action and "LF" is for flashing action.
4. After doing these changes make sure you put the lens back on firmly.
