

ECSBE1234R - Ceiling Support Brackets

Measurements & Weight:

L: 590mm

W: 30mm

H: 34mm

Weight: 1.10kg

Suitable for :

E100CPM/CMCU, E100CPM/CSU

E100CPM/MCU, E100CPM/SU

E200CPM/MCU, E200CPM/SU

E300CPM/MCU, E300CPM/SU

E400CPM/MCU, E400CPM/SU

The ceiling support brackets are used as mounting kits for all systems. These can be incorporated into drop down ceilings for fast and efficient installations. They are packaged in a pair. They are manufactured to provide secure support between the system and the ceiling also allowing this to be a flush fixture installation.
